

ALL INDIA INSTITUTE OF MEDICAL SCIENCES

Ansari Nagar New Delhi -110029

Applications are invited for the various posts (for 3 years) in DBT funded Project entitled DBT Centre of Excellence for Stem Cell Research Phase- II.

| S. No. | Position | Title of the Project | Consolidated Emolument (INR) | Qualification |
|--------|------------------------|--|-----------------------------------|---|
| 1 | Junior Research Fellow | <i>A double-blind randomized trial of transplantation of cultured melanocytes from outer root sheath of plucked hair follicles vs. cultured melanocytes from epidermis</i> (BT-1777) | Rs. 25000+30 %HRA | Essential Qualifications: M Sc – Life Sciences / Bio - Sciences / Biotechnology/or Allied Subjects or M.Tech. Biotechnology/ Bioinformatics/ Bioengineering/ Biomedicine, or equivalent with NET /GATE Qualified. b.Desirable- Experience of working in molecular biology laboratory |
| 2. | Senior Research Fellow | <i>Comparative evaluation of efficacy of conjunctival stem cell transplantation with cultivated oral mucosal epithelial transplantation in patients with bilateral cicatrizing ocular surface diseases (i.e. Stevens Johnson syndrome & Chemical burns)(BT-1829)</i> | Rs. 28000+30 %HRA | Essential Qualifications: M Sc – Life Sciences / Bio - Sciences / Biotechnology/or Allied Subjects with 2 years of research experience b.Desirable- Experience of working in molecular biology laboratory and patient related clinical project . |
| 2. | Lab Technician | <i>DBT Centre of Excellence for Stem Cell Research Phase- II.(BT-1766)</i> | Rs 16040/- consolidated | DMLT +12 th Science / BSC (LIFE SCIENCES) with one year Experience in medical laboratory |
| 3 | Scientist Grade D | <i>DBT Centre of Excellence for Stem Cell Research Phase- II.(BT-1766)</i> | As per DBT Rules (Rs 63730/month) | Essential Qualifications: Ph.D in Genetic Engineering/ Molecular Biology/Microbiology/ Life Sciences/ Stem Cell biology/ Biotechnology/ with 5 years research/teaching experience OR M.Sc degree in Genetic Engineering/ Life Science/Biotechnology/Molecular Biology with 9 year research / teaching experience Desirable:- Experience in Gene editing, gene cloning, Stem Cell Biology or Animal Tissue Culture |

1. Salary as per DBT guidelines, adapted and being followed by AIIMS Research Section
2. **Last date for receiving the applications: 15 DEC 2018**
3. Only shortlisted candidates will be invited for the interview. No TA/DA will be provided in this interview.
4. Interested candidates can send their resume to Stem Cell Facility

2nd floor, ORBO Complex, AIIMS, New Delhi
